Corporate Overview

Operations Contracting Agency (OCA) is a Service-Disabled Veteran-Owned Small Business (SDVOSB), dedicated to providing quality human support to any organization ready to expand by increasing its capabilities with highly skilled professionals. We provide quality training in the fields of information technology to include information and cyber security; management; professional development and leadership to include critically acclaimed John Maxwell Leadership Training Courses. At OCA, our goal is to take full advantage of the knowledge, skills, and expertise earned during our military service and to share these attributes with companies, businesses, and students all around the globe.

Services

Hospitality Services – Operation Contracting Agency utilizes a multi-dimensional approach when it comes to our Services.

Project Planning – Develop the systems that underpin the next phase in your organization's growth, applying current and best practice to our services

Program Management – Providing coordinated planning, management, and execution of multiple related projects.

Training Courses – Offering learning experiences from live instructor, virtual instruction, and self-sustained modulated courses.

Cyber Security – Taking full advantage of the knowledge, skills and expertise earned during our military

Market Research – Help you determine the viability of a new service or product through research conducted directly with potential customers

Differentiators

- Qualified small business delivering best-in-industry solutions.
- Exceptional references illustrating Quality Control Standards
- Leadership with over 20 years' experience in providing quality human support
- Best of Breed Subcontract Partnerships
